March at BiZHUB...

Once a business is up and running the next challenge is to grow whilst maintaining existing profitability and service levels.

Are you ready to grow? What might stop you?

As this is progression week we'll reflect on what we learned from last month's topic STRUCTURE and apply it to this month's topic: GROWTH

Is growth an aspiration for you? Refer back to your Vision

Does your structure need to change to grow?

What is your growth goal for 2022?

What pace of growth do you aspire to?

Do you have the right people and plans in place to help you achieve this in your timeframe?

What ONE area do you most need to focus on?

(Build your team, increase your marketing impact, increase your capacity, other)

In that ONE area what do you need to do most this month?

What might get in your way?

To overcome this, what needs to change?

What help might you need from the BizHUB Community this month?

Have you read February's book of the month Deep Work by Cal Newport? Any thoughts?
